

## **Burntsand Signs Services Contract Totaling \$530,000**

**Toronto, ON, December 3, 2009.** Burntsand Inc. (Burntsand) (TSX:BRT), a North American business consulting and technology services company, announced today the signing of a contract for managed services valued at approximately \$530,000 with a major health care client in North America. These services are an extension of a contract originally signed in 2003. Burntsand has been engaged over the next year to provide this managed service.

“Our continued growth in this long term relationship is a reflection of our commitment to our customer’s continuous business performance improvement” said Martin L. Glover, Burntsand CEO. “The customer’s trust is built on their recognition of Burntsand’s focus on operational excellence and unmatched customer experience.”

### **About Burntsand**

Burntsand is a leader in the delivery of technology consulting services for customers with complex information processing and information management requirements in three practice areas - Enterprise Content Management, Collaboration and Service Management - aligned around our strategic partners, EMC, Microsoft and BMC. The Company delivers strategic design, technology architecture and custom application development through our proven Time-to-Value methodology, which mitigates business risk and speeds process improvements and returns. Headquartered in Toronto, Burntsand operates from locations across North America. The Company's shares (TSX: BRT) are traded on the Toronto Stock Exchange.
